## Fort Walton Beach Medical Center

### **Hospital Information**

Fort Walton Beach Medical Center (FWBMC) is a 257-bed full-service hospital with over 200 of the most highly respected and qualified physicians in the area. It is ranked nationally for infection prevention and was recognized in 2016 as a Top General Hospital, for excellence in quality care and patient safety. It is the only acute care hospital in the Tri-County area qualified to perform open heart surgery and has the only Advanced Primary Stroke Center and Accredited Chest Pain Center, making Fort Walton Beach Medical Center the best hospital in the area to care for your heart. FWBMC emergency services include a dedicated Pediatric ER, 24/7 Destin ER, and a full-service 24/7 Fort Walton Beach ER that includes the only Level II Trauma Center in the Tri-County area. Fort Walton Beach Medical Center has the only Level II Neonatal Intensive Care Unit with neonatologists available 24/7.
