III. Required Qualifications:

Education: Completion of an accredited program in Anesthesiologist Assistant or Nurse Anesthesia, master's degree or higher, with relevant experience in teaching.

Licensure: Professional certification as an Anesthesiologist Assistant through the National Commission for the Certification of Anesthesiologist Assistants (NCCAA) or National Board of Certification and Recertification for Nurse Anesthetists (NBCRNA); valid professional state license in good standing.

Experience:

- Minimum of five (5) years clinical experience in anesthesiology or closely related field
- Teaching experience at the graduate or undergraduate level
- Organizational committee participation
- A record of community experience
- Ability to mentor students

Skills required for this position include:

- Excellent interpersonal and communication skills
- Strong team player
- Commitment to institutional mission and values
- Basic computer proficiency

Preferences given to applicants who have the following skills or attributes:

- Have an advanced degree in education or related field
- Familiarity with the Anesthesiologist Assistant profession

Successful candidate will be subject to a criminal history background check.

Regular, reliable, or predictable attendance is an essential function of the job.

- IV. Working Conditions and Efforts:** The physical demands and work environment characteristics described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The position requires a rapid pace, some days with long hours to meet expectations, and the ability to organize, interpret, and utilize a large volume of information.

Physical demands: The incumbent may be exposed to short, intermittent or prolonged periods of sitting or standing in the performance of job duties. The incumbent may be required to accomplish job duties using various types of equipment and supplies including but not limited to, calculators, computer keyboards, telephones, writing utensils, etc. The incumbent may be required to transport oneself to other campus offices, conference rooms and other off-campus sites.

Work environment: Office environment. Outside travel required 5% of time. The noise level in the work environment is usually minimal. The pace of the work requires rapid pace to synthesize and organize large volumes of material while prioritizing duties.

This position is classified as exempt, at the Professional level, because it requires the advanced knowledge or a “learned professional” in which to meet the job duty requirements.

Employment with VCOM is “at-will”. This means employment is for an indefinite period of time and it is subject to termination by the employee or by VCOM, with or without cause, with or without notice, and at any time. Nothing in this position description or any other policy of VCOM shall be interpreted to be in conflict with or to eliminate or modify in any way, the “at-will” employment status of VCOM employees.

- V. **VCOM Core Values:** The employee is expected to adhere to all VCOM policies. As the environment is a professional college, the VCOM faculty/staff are expected to dress and behave in a professional manner at work. VCOM faculty/staff are expected as VCOM employees, to be a person who obeys all laws and professional expectations of an upstanding citizen of the community. VCOM expects all faculty/ staff to maintain a positive attitude in all working relationships with all VCOM departments, employees, students, prospective students, and colleagues and to treat all others engaged in the duties of the employment, with mutual respect.
