

Osteopathic Manipulative Medicine Curriculum OMS III Workshop Log

The OMM Workshop Log should be submitted at the end of each rotation to document all OMM didactic and hands-on experiences attended by the student. Please refer to the syllabus for a detailed description of these requirements: [Third-year OMM Clinical Rotation Syllabus](#).

If NO Workshop was offered during a rotation, please fill in Period as well as Date, and type "No Workshop was offered" in the Comments box.

Period #	Date	Site / Venue	Title of Educational Session	Techniques Practiced / Performed	Preceptors	Hours	Comments

To submit for completion:

Please document your attendance at all OMM didactic and hands-on experiences on the **online OMM Workshop Log** found on the **VCOM Portal**.

Failure to submit this log at the end of the clinical period will result in the rotation being incomplete.
