Site orientation
There is a one week orientation that is done the last week of July prior to the first rotation beginning in August for all incoming third year students. This includes computer training, review of rules and regulations, completing required paperwork, and receiving required name badges.

Fourth year students receive orientation the first Monday of their rotation period when they are located at JMH for their rotation. All other rotations done within

Abingdon, the paperwork is completed prior to their rotation beginning on that first Monday.

Community information
Abingdon and the surrounding area is full and rich of history and the arts. We are within driving distance to the Bristol Motor Speedway and many other local attractions, including:

• Barter Theater – opened in 1933 during the Great Depression, making it the longest running professional theater in the nation. Patrons could pay admission by bartering goods.
• Virginia Creeper Trail – the trail stretches 34 miles from Abingdon, Virginia, down thru the lovely town of Damascus, Virginia, along the Whitetop Laurel River and up to its highest point Whitetop Station near the North Carolina state line at Whitetop, Virginia

Quotes from former students
“The site overall is excellent. It is a bit of a hidden gem. All of the preceptors are excellent and although you may have to drive a fair bit in between rotations, if you are interested in underserved family medicine you could not ask for a better site.”

“Abingdon is wonderful. I couldn’t have asked for a better place to live. Everything is very affordable, and the people here are lovely. It’s nice to be so close to Bristol, and have the small town feel of Abingdon.”

“The site as a whole was great”
