Fort Walton Beach Medical Center

**Hospital Information**

Fort Walton Beach Medical Center (FWBMC) is a 257-bed full-service hospital with over 200 of the most highly respected and qualified physicians in the area. It is ranked nationally for infection prevention and was recognized in 2016 as a Top General Hospital, for excellence in quality care and patient safety. It is the only acute care hospital in the Tri-County area qualified to perform open heart surgery and has the only Advanced Primary Stroke Center and Accredited Chest Pain Center, making Fort Walton Beach Medical Center the best hospital in the area to care for your heart. FWBMC emergency services include a dedicated Pediatric ER, 24/7 Destin ER, and a full-service 24/7 Fort Walton Beach ER that includes the only Level II Trauma Center in the Tri-County area. Fort Walton Beach Medical Center has the only Level II Neonatal Intensive Care Unit with neonatologists available 24/7.

Housing

Housing not available on site

Housing Resources for Visiting Students

Chez Elan; Somerset Apartment; Parkview Estates; Bentley Parc; Cypress Preserve
There are many options in our area for apartments Timing is very important in many cases with getting best rates for one or two bedrooms.

Site Orientation

A full day of hospital orientation will commence on the first day of first rotation. This will include required HIPAA, HCA Code of Conduct, Safe Procedural and Surgical verification, access badge, parking info, finger print requirements and a facility tour. Also included will be computer training to include systems used by clinical staff.
