Orange Park Medical Center

Hospital Information

Orange Park Medical Center is a full service, acute-care hospital with 317 inpatient beds located in the heart of Orange Park, providing medical care to Clay county and surrounding communities. The hospital has 170 private rooms. There are nine labor, delivery and recovery room suites for new mothers and a seven-bed level-2 neonatal intensive care unit for premature babies and those born with special needs. There is also a 24-bed psychiatric unit, 20-bed inpatient rehabilitation unit and 20 intensive care unit beds.

**Available Lectures and Seminars**

Every afternoon during lunchtime, there are didactics or lectures from physicians. Some of the topics include Endocarditis and Prophylaxis, ethical dilemmas, journal of GME, Neurology, Oncology, and Cardiology. Resident burn out and research topics are always included in the lecture. Each program has a different lecture daily.

**Attendance Requirements for Lectures and Seminars**

OPMC has noon Conference/Didactics Monday through Friday from 12-1 PM.

We also have research day every Tuesday for our residents to review their clinical cases and conduct presentations.

**Housing**

Certain areas Jacksonville and Orange Park are safer than others are, but you must always be cautious of your surroundings. Some areas that are nice to live in and are approximately twenty minutes away from the hospital are as follows:

- Mandarin
- Fleming Island
- Bartram
- Fruit Cove
- Julington creek
- South Side

**Housing Resources for Visiting Students**

- Zillow
- Trulia
- Craigslist

**Site Orientation**

The students should be prepared to be in Jacksonville a week to two weeks prior for an official OPMC Orientation.
