Students may complete one selective upon AD approval outside of the core site. One elective may be used as a research month to complete an approved CDC, NIH, federally sponsored, or faculty mentored research project. Start and end dates of OMS 4-year rotations are flexible to allow for scheduling with residency sites, which do not always align to VCOM's schedule; however, students may not start the OMS 4 year until June 28, 2027. The AD and Director for OMS 4 Rotations will work closely with each student to develop their 4th year schedule and assure all required rotations are completed.
