**PLEASE NOTE:** CONTENT IN THE FIRST WEEK WILL BE DELIVERED ON-LINE, VIA CANVAS, ZOOM AND VCOM TV. Mandatory Learning Activities (MLA), Case-Based Learning Activities (CBL) and Student Group Learning (SGL) are required in-class activities, whereas Asynchronous Learning Activities (ALA) can be completed at a time other than what is on the calendar. Student-Directed Learning (SDL) are completed independently. Lecture exams will be completed in class using Exam Soft. All calendars are subject to change due to unanticipated emergency or illness. The student will be notified via email any time the schedule is changed and with as much notice as possible. In general however, students should not plan events during the 8 a.m. to 5:00 p.m. hours during the weeks the blocks are in session, as those are considered the hours of duty for a student.
