COLUMBIA PEDIATRICS VIRTUAL ELECTIVE FOR UNDERREPRESENTED IN MEDICINE STUDENTS 2021

The 2-week virtual pediatrics elective for UIM students will:

- introduce visiting students to the structure and culture of the NYP-Columbia Department of Pediatrics,
- teach advanced concepts in pediatrics pertaining to clinical management, and promote team-building and self-reflection.
- expose students to the pediatric residency work and culture without the time, expense, or travel required for an in-person elective.

COURSE DATES:
8/2 TO 8/13, APPLICATION DUE 6/7
9/20 TO 10/1, APPLICATION DUE 7/1
10/4 TO 10/15, APPLICATION DUE 8/1
