Hospital Information

Grand Strand Health is a multi-facility health system located on the coast of the Grand Strand community and has facilities throughout the Grand Strand to provide quality, convenient healthcare.

[Grand Strand Medical Center](#) is a 403-bed acute care hospital serving residents of Horry and surrounding counties. Our hospital offers the only cardiac surgery program, neurosurgery program, and pediatric intensive care unit (PICU) in Horry and Georgetown counties and is a designated Level I Adult Trauma Center and Level II Pediatric Trauma Center by South Carolina DHEC. Our hospital is also the only Comprehensive Stroke Center in the service area, certified by DNV-GL

Grand Strand Medical Center is recognized by the Joint Commission, a leading accreditor of healthcare organizations in the United States, for the following programs: chest pain, knee and hip replacement, sepsis, and stroke rehabilitation. In addition, we have received awards from the American Heart Association for our treatment of heart attacks and stroke.

[North Strand ER](#) is a 24-hour emergency department located in the North Myrtle Beach area.

[Carolina Forest ER](#) is a 24-hour emergency department located on Oakheart Road near the Hwy 501 side of Carolina Forest Blvd.

[South Strand Medical Center](#) features a 24-hour emergency department, imaging, lab, wound care program, and behavioral health.

[The Advanced Wound Center](#) is an outpatient facility for the treatment of chronic non-healing wounds and hyperbaric technology.

[The Breast Center](#) provides outpatient diagnostic services including X-ray, CT scan, and ultrasound. A dedicated women's center provides digital mammography (including 3D), breast education, bone densitometry, ultrasound, and x-ray services.

[Carolina Forest Imaging Center](#) offers outpatient procedures including CT scan, MRI/Breast MRI, and digital mammography (screening).
