

PHOENIX CHILDREN'S HOSPITAL URM VISITING SCHOLARS PROGRAM

At Phoenix Children's Hospital, we believe that diversity enriches both our clinical and educational environments and are committed to recruiting, supporting, and fostering the career development of outstanding medical students from diverse backgrounds. We welcome 4th year medical students who are Underrepresented in Medicine (URM) to apply for our Visiting Scholars Program!

Located in the beautiful southwest, Phoenix Children's Hospital (PCH) is Arizona's premier hospital for family-centered pediatric care for patients with general and complex medical needs. PCH has been named "Best Children's Hospital" by the U.S News and World Report for the last 12 years and is the home to our award-winning medical student program.

Benefits of program:

- \$1,000 stipend to subsidize rotation costs
- \$140 meal card
- Residency interview with Program Director
- Dedicated URM faculty serving as mentors
- Pairing with a resident URM "buddy"
- Inclusion in resident conferences/activities/social events throughout Phoenix
- Opportunity to network and build relationships with URM residents/faculty
