Sentara Halifax Regional Hospital

South Boston, VA

Hospital Information

Commitment to patient-centered care is the backbone of Sentara Halifax Regional Hospital. Fueled by the expertise of a well-established medical staff representing more than two dozen specialties, Sentara Halifax Regional Hospital remains focused on excellent care - a tradition which has been carried throughout the hospital's 65-year history. And now, backed by the innovation of Sentara Healthcare, we continue delivering the care you expect and the quality you deserve. In every case, it's our goal to provide the medical, emotional, and spiritual care which meets our patients' and residents' needs.

Community Information

South Boston and Halifax County are teeming with historical sites and opportunities for recreation.

Berry Hill Resort and Conference Center - The Berry Hill Resort & Conference Center, Virginia's premier wedding venue, resort and conference center, is nestled amongst a tree-lined forest covering 650 acres in the heart of historic South Boston, Virginia. This former antebellum plantation estate and (now) National Historic Landmark welcomed its first guests to the beautiful Virginia countryside in 1728.

Tobacco Heritage Trail - You don't need a passport to enjoy an excursion on the Tobacco Heritage Trail!

Surrounded by unspoiled woods, tobacco farms that have been passed from one generation to the next and homey little towns, the Tobacco Heritage Trail is a path to your outdoor recreation and relaxation. Explore the natural resources of this Southern Virginia rail-trail on horse, bicycle, or foot and journey back to the history and culture of a simpler time. Our trail is your trail; come on in and make yourself at home.
