Statement of Understand Regarding HPSP or other Scholarships

I understand that if I am receiving HPSP that covers the tuition and fee amount that I cannot use VA educational benefits to pay for tuition and fees. In other words, I understand that I cannot receive HPSP and VA educational benefits at the same time.

I understand that if I have not been awarded HPSP at the time I use VA educational benefits during a semester but am awarded HPSP later in the semester, that I will be required by the VA to repay the VA educational benefits originally awarded to me for that semester.

I understand that if I receive a scholarship or any other tuition waiver excluding Title IV funding (Federal financial aid), these funds will be counted toward my tuition first and only any remaining tuition will be reported to the VA and that I am responsible for repayment should that occur. I will contact the Registrar's Office immediately if I receive a scholarship or any other tuition waiver from any source.

Statement of Understanding:

- Eligible veterans, reservists, and dependents are responsible for requesting VA Education benefits through the Office of Veterans Services. You must submit a benefits request form to VCOM every semester.
- You must report any classes dropped or a withdrawn from immediately to the Office of Veterans Services.
- Students that withdraw are responsible for repaying tuition and fees to the VA. The ultimate responsibility for the payment of tuition and fees is YOUR responsibility.
- If receiving Chapter 30, 1606, or 1607 benefits, to receive payment I need to certify my enrollment with the VA either by phone (877-823-2378) or on-line (www.gibill.va.gov/wave) after the last calendar day of each month. (Normally does not apply to Chapter 31, 33, or 35.)
- I understand that VA educational benefits may be discontinued if I fail to maintain satisfactory progress and attendance.
- I cannot receive pay for an audit, withdrawal, or a repeat class that I have previously received a passing grade.
- I allow VCOM to discuss my VA paperwork with the Department of Veterans Affairs if necessary.
- I understand that if I do not comply with VA guidelines, then my educational benefits may be discontinued and I may be subject to a debt with VA and VCOM.
- Failure to report any changes may result in an overpayment and discontinuance of my VA benefits.
- I understand that I am responsible for the payment of all tuition and fees in accordance with college policy. If my VA educational benefits will not cover all charges, I will need to make arrangements for payment of all charges and fees by the semester deadline.

I understand that my signature authorizes the School Certifying Officials to release my enrollment transactions, academic standing, grades, graduation, etc. to either the Department of Veteran Affairs or Department of Veteran Services for the purposes of processing payments or audit of record.
