Apply Today for a 4-week Clinical Rotation

ChristianaCare encourages fourth-year medical students who are underrepresented in medicine to apply to our Visiting Clerkship Stipend Program. Successful applicants will complete a four-week clinical rotation at one of our Delaware campuses (Newark and/or Wilmington) and:

- Be awarded a $1,500 stipend.
- Be partnered with a resident throughout the four-week rotation.
- Engage with our Employee Resource Groups (ERGs), which represent a variety of demographics, including race, national origin, gender, sexual orientation, disability, military status, etc.
- Meet with the residency program director.

**Eligible specialties include:**

- Diagnostic or Interventional Radiology
- Emergency Medicine
- Emergency/Family Medicine
- Emergency/Internal Medicine
- Family Medicine
- General Surgery
- Internal Medicine & Subspecialties
- Medicine/Pediatrics
- Obstetrics/Gynecology
- Psychiatry

For more information about fields of study, visit: christianacare.org/medical-student-rotations.
