Hospital Information

Augusta Health, Inc. (AH), an independent, not-for-profit, rural community health system, located in Augusta County, Virginia in the heart of the scenic and historic Shenandoah Valley.

Inpatient Beds – 255

Specialty Services – Heart & Vascular Center, Primary Stroke Center, Comprehensive Cancer Program

AH provides a full range of outpatient services, including both medical and radiation oncology cancer treatment, diagnostic and interventional cardiovascular services, a pain management center, a behavioral health center, a Nursing Treatment Center, and a sleep lab facility.

Since opening in 1994, the hospital has received national distinction having been designated as a Solucient 100 Top Hospital twice, 100 Top *Regional* hospital once, U.S. News and World Report's *America's Best Hospitals* three times, and has received the HealthGrades Distinguished Hospital Award for Clinical Excellence the last 4 out of 5 years, which places us in the top 5% of all hospitals in the country. AH is financially prosperous as evidenced by its Moody's A1 rating, being one of only two hospitals its size in the nation to hold that level of credit worthiness.

Community Information

The Shenandoah Valley is known for its friendly people and communities where business, industry and technology flourish. The superior quality of life includes attractive and affordable real estate, an excellent education system that includes both private and public school systems, superb dining and shopping, as well as cultural and recreational amenities.

Warm summers and mild winters make for comfortable year-round living in the Shenandoah Valley. With its rolling green pastures, historic farmsteads and forested mountains, few areas can match the Shenandoah Valley in terms of scenic beauty. Access to a superior network of highways provides the ability to reach a wide variety of locations in a fairly short time, including convenient proximity to Charlottesville, Richmond, historic Williamsburg, the Washington DC metropolitan area and Virginia Beach.

Quotes from Former Students

“Augusta Hospital has a lot of medical resources to offer 3rd year students as a community hospital.”

“Outstanding site!”

“The site provided a great learning environment. The hospital staff were always kind and willing to help. We had a lot of interaction with multiple physicians and specialties throughout the year”
