Work History:

I have worked, continuously, for the past 25 years as a General Surgeon.

1993 -1996- I worked for C. W. Mercer, DO, as a young attending in his private practice in Lansing, MI.

1996-2005 -I created and managed my own private practice, Mimbres Surgical Consultants, in Deming, NM. During this time I helped build a multi-specialty group practice and was a co-owner and developer of an 8,000 sqft medical arts building. I also started and developed an emergency transport business in the community.

2005-2014 -I joined Presbyterian Medical Group and practiced General Surgery at Lincoln County Medical Center in Ruidoso, NM.

01/2015- I joined Highlander Surgical Group, as a part of the Mary Black Medical Group.

At times, throughout, the past 29 years I have also worked, in addition to my General Surgery practice, in Emergency Rooms in Michigan and New Mexico. I have held many hospital, local, county, state and federal positions in service to my profession and community. I am board certified and a Fellow in the American College of Osteopathic Surgeons. I have no issues, now or ever, with my privileges or licensure.

EMPLOYMENT: AFC/Bon Secours Urgent Care 03/2017- current
Mary Black Surgical Specialties 01/2015-03/2017
Presbyterian Health Care-GS 05/2005-12/2014
Mimbres Surgical Consultants 01/1995-05/2005

HOBBIES: Time with my family, exercise, working outdoors and card games.
